| Subject: | You're confirmed to attend the MongoDB x Google Cloud GenAI Workshop: Jakarta on 12 November 2024 |

## You're confirmed to attend the hands-on workshop in Jakarta on Tuesday, November 12th!

Hi,

Your registration is confirmed for the hands-on workshop in Jakarta on Tuesday, November 12th!

MongoDB and Google Cloud offer a powerful combination of services for building secure, scalable, and smart applications for new services and products. During this session, you will learn how to use the existing integrations between MongoDB and Google Cloud, as well as Google AI and Generative AI services to:

- Create new products and services
- Gain insights from your data
- Automate your workflows and processes

We will also have technical experts joining us from Metrodata and CloudMile to run the hands-on lab and share their latest innovations and solutions in a breakout session.

**Event Details:**
**Date:** Tuesday, 12 November 2024
**Time:** 12:00 PM - 5:30 PM
**Venue:** Google Jakarta Office
Pacific Century Place Tower Level 45 SCBD Lot 10, Jl. Jenderal Sudirman No.53, RT.5/RW.3, Senayan, Kec. Kby. Baru, Kota Jakarta Selatan, Daerah Khusus Ibukota Jakarta 12190, Indonesia
*\* Please bring your own laptop to participate in the hands-on lab.*
